CAREER OBJECTIVE

A passionate and ambitious Full Stack Web Developer with hands-on experience in the MERN stack and a growing expertise in AI/ML using Python. Dedicated to creating scalable, user-centric web applications while continuously expanding knowledge in artificial intelligence. Eager to contribute to cutting-edge tech projects and evolve into a leading AI/ML expert by leveraging strong development skills, a problem-solving mindset, and a drive for innovation.

EXPERIENCE

Intern at Static.Int Educare   Jun 2024 – Jul 2024

➢ Contributed to full-stack web development and AI/ML initiatives as part of a tech-driven internship program.

➢ Assisted in building scalable web applications using the MERN stack and explored AI-based project models using Python.

➢ Gained hands-on experience in developing intelligent systems by integrating machine learning algorithms into real-world applications.

➢ Collaborated in a team environment to deliver modules on time while learning best practices in both software development and AI.

EDUCATION

▪ **Thakur Polytechnic, Mumbai**
  Diploma in Information Technology   Aug 2022 – May 2025

▪ **St. George High School, Mumbai**
  91% in SSC Board, 2022   2021 – 2022

ACHIEVEMENTS & SKILLS

❖ Awarded the SevaSahyog Foundation Scholarship in 2024 for academic excellence and contribution to technical projects.

❖ Soft skills include Communication, Teamwork, Problem-solving, Adaptability, and Critical Thinking.

❖ Proficient in HTML, CSS, JavaScript, TypeScript, Node.js, Python, MongoDB, TailwindCSS, Java, and more.

❖ Hands-on experience with tools such as VS Code, Postman, GitHub, and Figma.
